# About Us

CAS Academy was established on 6th May 2020. We aim to enhance the technical knowledge of directors and staff of organizations with a view towards improving performance, compliance and reporting.

Organisations will benefit as a result of:

- enhancement of knowledge of employees
- obtaining timely technical updates
- improved job-related technical skills
- developing soft skills.

CAS Academy shall offer:

- Public training
- In-house training, which can be customized to your requirements
- Technical bulletins
- Certification

with emphasis on areas such as financial and management accounting, taxation, internal audit, corporate governance, risk management, internal control, finance, management and many more.

## Vision

"To be the premium training provider with the hallmarks of commitment and excellence."

*"Professional People for Quality Service"*

## Mission

Provide excellent training and development program which meets the needs of participants (individuals and companies), delivered by highly competent specialist staff.

# Objectives

# Core Values
