# About Us

CAS Consulting Services Sdn Bhd was founded on April 2nd, 2003. Over the years, we have demonstrated a track record of success in managing stakeholders and thriving in demanding business environments. CAS Consulting has been a trusted provider of enterprise risk advisory and internal audit services to publicly traded companies since 2002. We hold the distinction of being a Certified Risk Management Agent and hold Chartered Membership with the Institute of Internal Auditors Malaysia.

In a landscape marked by continual shifts in regulations, fiscal policies, financial dynamics, and political influences, there arise both opportunities for growth and the potential for financial challenges, even insolvency, for some enterprises. The ability to make well-informed and timely decisions for your business hinges on having access to pertinent information precisely when you need it. Our team of advisory experts is committed to helping you achieve successful business growth by skillfully navigating a diverse range of opportunities, challenges, and risks.

We are here to provide comprehensive business advisory services that align seamlessly with your corporate strategy and support your business development objectives. This, in turn, will empower you to reach your corporate goals and financial milestones, guiding your business towards a future characterized by increased success and sustainable growth.
