About Us

CAS Consulting Services Sdn Bhd was established on 2nd April 2003. We have achieved various successful outcomes in dealing with stakeholders and challenging business environments. CAS Consulting has been providing enterprise risk advisory and internal audit services to listed companies since 2002. We are also a Certified Risk Management Agent and a Chartered Member of Institute Internal Auditors Malaysia.

With constant changes in regulation, fiscal, financial and political environment may pose opportunities for growth, just as they may create financial distress and even insolvency for some businesses. The ability to make sound and timely decisions for businesses is determined by having the right information at the right time. Through this, our advisory experts will help you to achieve successful business growth by navigating a complex array of opportunities, challenges and risks. We will assist you in giving business advisory services to complement your corporate strategy and business development needs which subsequently will allow you to achieve your corporate goals and financial objectives, and steer your business towards greater success and drive growth.
