# ABOUT US

Established in 2002, CAS Tax Services Sdn Bhd offers tax services to public and private companies and emerging enterprises. Our professional team has accumulated extensive technical and practical experience in offering these services to clients. We aim to provide personalized professional services to our valued clients through the application of technical skills and comprehensive understanding of our clients' businesses. We excel in assisting emerging or expanding business organizations to achieve their goals locally and internationally.

We practice a personalized and structured approach in providing practical professional business advice and solutions to clients. This reflects our commitment to deliver a wide range of quality professional services, effectively producing a one-stop centre to serve all our clients' business needs. Our tax services are designed to help clients to integrate into today's competitive business as well as fiscal environment through effective tax planning and maximization of tax incentives while maintaining regulatory compliance. We offer a whole range of professional tax services align with the government's self-assessment system.
